

REPORT TO FELPHAM VILLAGE CONSERVATION SOCIETY

2023 HISTORY, HERITAGE & ARCHIVE GROUP

Meeting held on 2nd November 2023

The Group was unable to meet at our usual venue so one of our members offered her home which kind offer was taken up.

Ten members of the Group attended the meeting, apologies had been received from 3 others.

It was suggested that the village Post Office history written by KH would be ideal for publication in Felpham in Focus.

LS raised the research that could be done about the social changes that have happened in the village by means of the increase and change in types of business over the years.

The Group has been lent, for interest, archive documents of Felpham sailing club. It is understood that they are to be catalogued by the holder.

Some discussion was had on the relationship, present & future, between the Society and the Group. More on this will take place at the next meeting.

The next meeting of the Group will be on Tuesday 28th November at 7 p.m. at the same venue.
